Dear Mr.Sathyanathan / Mr.James

Thanks for the photos.

The candidates have come today for interview.

We have shortlisted and not informed the candidates directly and want to go through your office.

1. C Saliprasad
2. M Barani

They will be under Apprentice Trainee for 1 year and have to stay at Kanchipuram (or) Vedal Village, where the factory is situated on their own. Since, they will be coming in shifts, it is required that they should stay locally for their convenience.

The candidates have informed that they will check with their family and confirm.

Request you to pass on the information to candidates and get their concurrence.

Thanks once again.
